Administrative Instruction Manual for S2SS School Lead

December 2018
Purpose

1. Provide an overview of S2SS

2. Review S2SS Lead Roles & Responsibilities

3. Provide S2SS Lead Administration Instruction (will cover full platform in 2 hour session with your team members)

4. Next Steps

5. Provide references as to where to find help?
How We Will Maximize This Training Session ...

1. No phones – please take calls outside / Break at 60 Minutes

2. Ask questions ... need a volunteer to write/type/email questions asked by this group to allow us to publish an FAQ

3. Understand that the presentation doubles as a reference guide for use post-training, therefore it is heavy on copy

4. Trainers (me) do not have all the answers and nuances of the S2SS PA program – may have to write down and email answers post-training
How We Will Maximize This Training Session ...

5. This appears to be A LOT of information to intake and learn. Don’t get overwhelmed ... please note that the best way to learn is PRACTICING

6. On average, a team member spends 30 minutes practicing in order to get a comfort level receiving and acting upon tips ... we guarantee if you invest the full 30 minutes you will be ready to receive tips

7. Recognize that this is a state mandated program launching January 14, 2019 ... therefore we MUST learn and ready for this despite minimal days to prepare
This Program WILL Save Lives ....

- Thousands of lives will be intervened upon ... from suicide, planned school attacks, self-harm, alcohol/drug abuse, dating violence, sexual assault, bullying / cyberbullying and other acts of violence and victimization that impact schools everyday.

- Over time, you will begin to see a shift in your schools as more and more students feel connected and are looking out for one another.

- Always remember that your local 911 Dispatch and police/sheriff are contacted at the same time as you for ALL Life Safety tips ensuring safety nets for you and your students.
