3.2 2020-21 CSIU General Operating Budget (Attachment)

The GOB is a compilation of three programs the CSIU offers primarily to member districts on a fee-for-service basis. The PA Public School Code allows intermediate units to ask the state to deduct money from school district subsidies to fund IU programs. Our member districts do not pay a subsidy to belong to the CSIU. They pay only for services they select from CSIU offerings. Approval of this budget does not obligate districts to purchase any CSIU programs for the 2020-21 school year.

The CSIU directors gave initial approval of the preliminary 2020-21 general operating budget of $886,527 in January. Following that approval, the preliminary budget was released to district boards for their consideration. Official approval of the CSIU's 2020-21 general operating budget has been received from all 17-member district boards of directors.

The 2020-21 budget totaling $886,527 represents a $49,139 increase from the 2019-20
