Quality programs, a unique “marketplace” operating philosophy and cost-savings through partnerships are hallmarks of the CSIU. Consortium efforts enable schools and agencies to obtain services they might have difficulty conducting individually. Clients also realize savings when purchasing employee services, supplies and other equipment through cooperative programs.

The data on the following pages summarize the CSIU’s partnerships with schools and other agencies during the past year. Programs are organized under the CSIU’s eight divisions.
Administration and Cooperative Business Services

Central Susquehanna Region School Employees’ Health & Welfare Trust
CSIU, 20 local districts/schools, 3 other districts

PENCON - Pennsylvania Energy Consortium
250 districts/IUs/schools/others

Pennsylvania Education Joint Purchasing Council
19 local districts/schools, 280 other IUs/districts/colleges/agencies, 2 non-profits

Pennsylvania Trust
9 member trusts comprised of 88 schools and 30,600 employees

PEPPM Technology Bidding and Purchasing Program
530 districts/IUs/schools, 16 state libraries, 104 other colleges/agencies

Center for Schools and Communities

This CSIU Division serves schools and communities statewide through partnerships with various agencies and organizations, including the Pennsylvania Departments of Education, Health and Public Welfare; the Pennsylvania Commission on Crime and Delinquency; and the U.S. Department of Education.

- Center for Safe Schools
  - CyberStart computer assistance for day care centers

- Migrant Education Support
  - Mission Homefront
  - Special Kids Network System of Care

Technical assistance and support also are provided for programs dealing with the adoption process, delinquency prevention, education mentoring, internet safety, pregnant and parenting teens, and childhood safety.
