3.2 2024-25 CSIU General Operating Budget (Attachment)
The GOB is a compilation of three programs the CSIU offers primarily to member districts on a fee-for-service basis. The PA Public School Code allows intermediate units to ask the state to deduct money from school district subsidies to fund IU programs. Member districts do not pay a subsidy to belong to the CSIU. They pay only for services they select from CSIU offerings. Approval of this budget does not obligate districts to purchase any CSIU programs for the 2024-25 school year.

The CSIU directors gave initial approval of the preliminary 2024-25 general operating budget of $995,891 in January. Following that approval, the preliminary budget was released to district boards for their consideration. Official approval of the CSIU’s 2024-25 general operating budget has been received from all 17-member district boards of directors.

The 2024-25 budget totaling $995,891 represents a $251,960 increase from the 2023-24 original budget totaling $743,931. This increase can be attributed primarily to fluctuations in projected student enrollment and additional virtual learning costs.

Motion to approve the General Operating Budget for 2024-25 as presented.

Motion by Lauren Hackenburg, second by Jonathan Jones.
Final Resolution: Motion passed unanimously.
Yes: Terry Boonie, William Brecker, Samuel Faulkner, Lauren Hackenburg, David Hess, Robert Hormell, Jonathan Jones, Jeffrey Kashner, Brianna Maciejewski, William Pasukinis, Brenda Post, Bruce Rhoads, Slade Shreck, Mary Ann Stanton
